

THE TIME IS NOW TO MAKE SUSTAINABILITY YOUR DRIVER FOR SUCCESS

WE ENABLE YOU

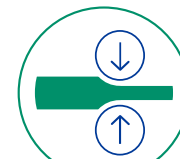

MAKE RECYCLABLE PRODUCTS

- Manufacture monostructures
- Ensure traceability

MAKE PRODUCTS FROM RECYCLATE

- Increase the recycle content
- Process low-quality recyclates
- Protect components from wear
- Ensure quality control and traceability

DOWNGAUGING

- Use less material while retaining the same functionality

REDUCE SCRAP

- Use optimized technology
- Support operating staff

MAKE PRODUCTS FROM BIO-BASED RAW MATERIALS

- Process PLA, PHB and Co.

SAVE ENERGY

- Use energy-efficient line technology
